

19 January 1953

Major General H. C. Partridge, OSG
Assistant Chief of Staff, G-2
Department of the Army
Washington 25, D. C.

Dear General Partridge:

In your letter of 17 November 1952 you suggested that selected members of the Officers Reserve Corps who held mobilization designations in your office serve short tours of active duty with this Agency.

As you have indicated, a wholesale exchange would not be feasible, but I am sure that we can arrange for individual cases to be considered and approved.

I have asked my Assistant Director for Personnel, Lieut-
[redacted] to work out the
necessary details with representatives of your office.

Sincerely,

Walter B. Smith
Director
